

MARITIME SECURITY FORUM PIRACY

MAY 14, 2007
Stamford
Marriott,
Stamford,
Conn.

Despite what you might have seen in the movies, piracy is no laughing matter. Modern day piracy and armed attacks in the form of hijackings, ransoms, theft and even murder pose a serious threat to the safety of crews and vessels and cost the industry billions of dollars per year. What is being done and what should be done to safeguard our crews and ships? Find out at this informal, informative and interactive half-day event sponsored by Marine Log and maritime security specialists Securewest International. The event will run from **3 PM-5PM**. To increase networking, a cocktail reception will follow the event.

Featured guest speakers will include:

- **Steven Jones**, BSc (Hons) MNI, author of *The Nautical Institute's Maritime Security, A Practical Guide*
- **Joseph J. Cox**, President & CEO, Chamber of Shipping of America
